To Whom It May Concern:

This letter is being written on behalf of RKS Plumbing and Mechanical, Inc. RKS, has been a preferred subcontractor for Skyline Builders & Restoration, Inc. for the last 15 years. RKS has continuously provided qualified manpower to meet even the most aggressive schedules, without ever compromising the quality of their work. We have utilized the services of RKS plumbing on many projects including but not limited to; ground up construction, commercial remodel, school facility projects, state and local municipality projects, and occupied space. At Skyline, we value RKS as a partner on our projects as their staff consistently looks out for the best interest of Skyline Builders & Restoration, Inc. and our customers by providing solutions and value engineering where appropriate. As is the nature of the business, from time to time, disputes occur with projects, in those rare instances the management and ownership of RKS have been available at short notice to solve any disputes.

I offer my highest recommendation to any contractor or owner who has the opportunity to work with RKS Plumbing and Mechanical, Inc. They truly are a company with integrity and a commitment to quality work. If you should have any specific questions, please don't hesitate to contact me at 602-763-3331.
